Subj: CONSOLIDATED PROCEDURES FOR THE PLANNING AND MANAGEMENT
OF INTER AND INTRASERVICE DEPOT LEVEL MAINTENANCE

Encl: (1) Designated Overhaul Point (DOP) Process Desk Guide

1. Enclosure (1) is provided as an overview of the processes and procedures associated with the assignment of DOPs for repairable components.
2. The DOP Process Desk Guide incorporates several Joint Depot Maintenance (JDM) Program directives within one document. It details the major functional requirements of the JDM Program and highlights associated actions of NAVSEA participants. A revision to the NAVSEA Depot Certification Handbook is included.
3. In lieu of printing and mailing hard copy guides, the DOP Process Desk Guide will be made available on the Naval Sea Logistics Center home page at 'www.nslc.navsea.navy.mil'. It will be located within the "Technical Logistics Support Services" section with a subheading of "Logistics Policies and Procedures".
4. The NAVSEA point of contact for the DOP Process Desk Guide is Mr. Glen Colman, SEA 04L435, (202) 781-3306, DSN 326. The e-mail address is 'colmangw@navsea.navy.mil'.
